CLOUGH HALL,  
NEWMHAM COLLEGE,  
CAMBRIDGE.

Oct 8 - 1890

My dear Mr. Mason

We are very busy  
with our college affairs -

I cannot help about  
getting up a meeting -  
and I do not think that  
at present there any  
prospect of getting up  
a society - I think so &  
I think one that will  
probably go on and

would not join with  
you. It is a good  
thing the Review answers  
and I hope it may continue  
to succeed.

Of course if Dr Butler  
has the meeting I will go  
I try to bring 2 or 3 friends  
but this is all I can do.

The 2 Ladies who might  
do some thing are Mrs  
Peile & Mrs J W Clark.

If I can see them I will  
mention your wish  
to have a meeting - but  
any how it had better  
be deferred - unless  
Mrs Butler can attend  
to it. She of course knows  
every body in Cambridge  
Her little boy, Dr Butler  
agreed to put some  
hooking cash which of  
course is a great  
convenience to her

Perhaps it wont suit.  
I hope you are well  
this very cold weather.

Do not send any money  
back. keep it if there  
is any over for one of  
your purveys.  
I think the 1st number  
is very successful

Mr Margaret Coulter  
is here and asks  
when the papers for  
Mother's meetings are  
to come out.

With many good  
wishes I am yours  
very truly

Anne F. Langh
